The Kids Triathlon Series benefits Habitat for Humanity of Greater Pittsburgh's affordable homeownership and home repair programs!

People in your community and all over the world partner with Habitat for Humanity to build and repair homes. Habitat Pittsburgh homeowners help build their own houses alongside volunteers, and pay an affordable mortgage. With our help, these local low-income families achieve the strength, stability and independence they need to build a better life for themselves and their families. Since 1986, 90 families have partnered with Habitat Pittsburgh to purchase a decent, affordable home.

This year Habitat Pittsburgh will be rehabilitating seven houses and building three new homes in the greater Pittsburgh area. Donate today to be a part of this transformative work for ten families in your community.

With great appreciation,
