Why raise pledges?

Your entry fee only covers the cost of the triathlon. By seeking pledges from family, friends, neighbors, parents' coworkers and others, every dollar you raise will go directly to Habitat for Humanity.

Habitat for Humanity provides decent, affordable housing to hard-working families with modest incomes. Every dollar you raise will allow Habitat for Humanity to become closer to its goal of eliminating substandard living conditions throughout Allegheny County.

How do I raise pledges?

Ask everyone and anyone to pledge support for you to participate in the triathlon.

- Explain the kids triathlon
- Use above section to explain benefit of pledging to Habitat for Humanity
- Refer potential sponsor to the right-hand side of this page
- Request support (only pre-paid pledges will be accepted at this time)
- Use back of this sheet to record and track sponsors
- **Thank** the person for their pledge both at the time and after the race

About Habitat

"All God's people deserve a simple, decent place to live."

In 1976, Millard Fuller founded Habitat for Humanity with those words.

Pittsburgh Habitat is one of over 2,300 affiliates of Habitat for Humanity International, a non-profit Christian housing ministry in over 100 countries, working to eliminate poverty housing worldwide. Habitat for Humanity of Greater Pittsburgh works in partnership with God and people everywhere, from all walks of life, to develop communities with God's people in need by building and renovating houses so that there are decent houses in decent communities in which people can live and grow. This ambitious mission is made manageable by the efforts of tens of thousands of people worldwide; most of whom are volunteers.

Throughout the world, Habitat for Humanity's efforts to provide decent, affordable housing for God's people in need strikes a chord in the hearts of many. All are invited to bring forward their gifts: of labor, of time, of material and financial resources, and of course, of prayer. With your help, we look forward to the elimination of substandard housing in Allegheny County and throughout the world.
